**Notification of COSATU Strike Action**

Kindly be advised that COSATU and all its affiliated Unions has applied for mass action on the issues of electricity, petrol and food prices.

COSATU will hold demonstrations as follows.

- 9<sup>th</sup> of July. KwaZulu Natal, and the Western and Eastern Cape.
- 16<sup>th</sup> July. Mpumalanga, Free State and Northern Cape
- 23<sup>rd</sup> July. Gauteng, Limpopo and North West
- 6<sup>th</sup> of August will see mass national action, with work stay-aways and marches throughout the country.

These planned stay-aways could affect UTi Sun Couriers' operations and service levels as COSATU and its affiliate unions are involved. Not only will the action affect our operations, employees may also be affected due to disruption to public transport and it may influence the ease at which our vehicles move along their usual routes.

The strikes may result in disrupted operations and service levels on the dates mentioned above, but also in the days following the strike as we recover from the effects of the action. We are putting contingency plans in place and will endeavor to decrease the effect of the mass action on our operations.

Thank you for your patience during this time.

Kind Regards

Karen Reid
