**Current events to possibly affect operations –  
UTi Sun Couriers Pietermaritzburg**

**During the first week of August the operations of our Pietermaritzburg branch may be affected by the following events:**

- **The ANC show of support for its President, Jacob Zuma when he appears in court on 4<sup>th</sup> and 5<sup>th</sup> of August.**
- **The COSATU nationwide strike on 6<sup>th</sup> August. This action may also affect our other national branches.**

**Security for the trial is being carefully planned and provided for by the relevant security services in the area. Taxis will be operating during this time, but with certain demarcated loading points. There will also be road closures which may affect the ability of our drivers to reach their destinations easily.**

**We ask for your patience and understanding during these few days at the beginning of August. If you have any queries or urgent shipments please call our National Contact Centre directly on **0861 80 30 80** for assistance.**
